

NEW VOTING CHANGES

NEW YORK STATE

Early Voting

Effective November 2019

Select polling places will be open 10 days prior to Election Day for voters to vote early. Contact your local Board of Elections office to find out what polling places will be open for early voting.

Same Day Federal and State Primaries

Effective immediately

All State and Federal primaries will be held on the fourth Tuesday in June.

Universal Voter Registration

Effective immediately

If you move counties within NYS, you no longer have to re-register to vote. Notify the State Board of Elections (518.474.1953) that you have moved, and your registration will transfer to your new address.

High School Voter Registration

Effective January 1, 2020

16 and 17 year olds may preregister to vote.

Upon turning 18 years old, students who have preregistered will automatically be registered. Local boards of education will adopt policies to promote student voter registration and preregistration.
